

# GULF WESTERN OIL

## THE TOUGH AUSTRALIAN

### INDUSTRIAL/OFF HIGHWAY

## TECHNICAL DATA SHEET

### PREMIUM FLOOR SWEEP

#### SUMMARY OF BENEFITS

- Quick, safe and easy to use. Safe to store
  - Biodegradable organic sorbent for spills on all hard surfaces
  - Suitable for fuels, lubes and a wide range of hydrocarbon liquids
  - Completely dries the floor - no secondary clean up required
  - Encapsulates & eliminates leaching
  - Proven to outperform clays, polypropylene and sawdust products, some by up to 10x
  - Cost effective. Reduces transportation and disposal costs. Reduces clean up time by 50%
  - Made in Australia from 97% recycled, organic fibres. 100% biodegradable.
- \*Note biodegradability is impacted by the products being cleaned.

#### APPLICATION

Gulf Western Premium Floor Sweep is designed for use on all hard surfaces to absorb all hydrocarbon spills including petrol, diesel, lubricating oils and oil based paints. It is a one step 'dry cleaner'. Simply spread liberally around and over the spill, and sweep it back and forth until the surface is dry. The material is then swept aside leaving no surface residue meaning that a detergent or solvent wash is not required.

#### STORAGE

All packages should be stored under cover to avoid the possible ingress of water and the obliteration of drum markings. Products should not be stored above 60°C.

#### AVAILABLE PACK SIZES

20kg - 42020

#### HEALTH, SAFETY AND ENVIRONMENT

Health, safety and environmental information is provided for this product in the relevant Materials Safety Data Sheet, which can be obtained by contacting Gulf Western Oil on: 02 9673 9600.
