

**GULF WESTERN OIL**  
THE TOUGH AUSTRALIAN

## PRODUCT DATA SHEET

# CITRA GRIT

**CITRUS BASED HAND CLEANER**

### DESCRIPTION

Premium quality water based hand cleaner. Widely regarded as being the best available for removing dirt, grease and grime due to its innovative formula including organic ingredients from the USA and Europe. Contains polymer beads for deep cleansing of the skin and skin conditioning ingredients (including lanolin) to prevent drying and cracking of skin. Our specialised formulation also includes unique imported advanced surfactant soaps and non petrochemical solvent.

This product contains no petroleum solvents (which promote drying and harsh removal of the skins natural oils) and no hydrocarbon solvents. Has a neutral pH and a citrus fragrance that leaves hands refreshed. This product can be used in a variety of industries where heavy duty cleaning is required such as automotive, manufacturing, mining and printing.

### DIRECTIONS FOR USE

- Apply small quantity to hands. Rub and massage the hands together thoroughly
- Rinse hands with cold or warm water
- Dry skin with cloth or paper towels

### STORAGE

All packages should be stored under cover to avoid the possible ingress of water and the obliteration of drum markings. Products should not be stored above 60°C.

### HEALTH, SAFETY AND ENVIRONMENT

Health, safety and environmental information is provided for this product in the relevant Materials Safety Data Sheet, which can be obtained by contacting Gulf Western Oil on: 02 9673 9600.
